

HKUST Notebook / Desktop Ownership Program 2005

print

Introduction

Like previous years, the **Information Technology Services Center (ITSC)** has organized a computer ownership program (COP) at the beginning of the new academic year 2005/06. This annual program is organized with the kind support from the Students' Union and the Purchasing Office. Based on the feedback from our online user survey conducted back in May, we have finally selected among prospective vendors the more attractive proposal from **PCCW Limited**.

Under this program **ThinkPad** notebooks and **ThinkCentre** desktop PCs are offered to all HKUST students, staff and alumni at an attractive price level. All notebook models (except R50e economy model) come with the latest **Intel® Pentium® M processor** which delivers better computing and battery performance.

To facilitate mobile computing, all notebook models are equipped with the latest **802.11b/g** or **802.11a/b/g 54 Mbps** wireless support. New to this program is the introduction of **2 widescreen** and **1 tablet PC** version of ThinkPad notebooks.

PDAs, LCD displays, computer peripherals and accessories, and some common PC software are also on offer in this program for your convenience.

Who Is Eligible?

This program is open to all current full-time & part-time students and staff of HKUST. Each student or staff can ONLY purchase at most ONE notebook and ONE desktop PC. The program is also extended to all alumni of HKUST.

Event Schedule

DATE	TIME	EVENT	VENUE
Aug 9-13 & 15-16 (Tue-Sat & Mon-Tue)	10:00 - 20:00	Roadshow & Order Taking (1st round)	Chia-Wei Woo Academic Concourse
Sep 1-3 & 5-8 (Thu-Sat & Mon-Thu)	10:00 - 20:00	Roadshow & Order Taking (2nd round)	Chia-Wei Woo Academic Concourse
Sep 1-3 & 5-8 (Thu-Sat & Mon-Thu)	10:00 - 20:00	Notebook Distribution (for orders placed in 1st round)	Room 4006 (near Lift 4)
Sep 26-Oct 1 & Oct 3 (Mon-Sat & Mon)	10:00 - 20:00	Notebook Distribution (for orders placed in 2nd round)	Room 4006 (near Lift 4)

There are 2 roadshow & order taking periods at Chia-Wei Woo Academic Concourse respectively. Simply fill out the order form ([PDF format](#)) & bring along the required documents to the designated order counter **IN PERSON** for application. Phone ordering service is also available for your convenience. Counters for broadband service promotion and notebook trade-in will also be arranged during the two roadshow periods. For further details, please refer to the "[Order Information](#)" section.

To allow early pick-up of your notebook computer for students and staff, similar to previous years there will be a cash-n-carry arrangement for selected notebook models. You may be able to get your ordered notebook earlier within the roadshow period instead of having to wait for around 3 weeks, but this is subject to stock availability. Note also that all Z60t and Z60m ThinkPad notebooks will be delivered in October, as those are very brand new models to be launched in late September.

For details, please visit our roadshow counter or call PCCW's enquiry hotline at 2888 9998.

Economy

ThinkPad R50e

Processor	Intel® Celeron® M 370 1.5GHz
L2 Cache	1MB L2 cache / Intel® 855GME
OS	Win XP Home (Eng. / Trad. Chi.)
Memory	256MB DDR RAM
Hard Disk	40GB disk (4200rpm)
Optical	24X/24X/24X/8X CDRW/DVD Combo
Display	14.1" TFT XGA (1024 x 768)
Graphics	Intel® Extreme Graphics 2
Communication	Modem, LAN, 802.11b/g
Media	2 x USB 2.0, parallel, VGA
Weight	6.0 lbs

Dimensions 12.4" x 10.2" x 1.3"

Battery Life 3.4 hrs*

ThinkVantage™ Technologies

Access Connections

Easily shift between wireless and wired networks with Access Connections - a single interface to assist with connectivity in your home, office or on the road.

Available on all wireless ThinkPad notebooks.

Rescue and Recovery™

Rescue and Recovery is a one button recovery and restore solution that includes a set of self recovery tools to help users diagnose, get help and recover from system crashes quickly, even if the primary operating system will not boot.

Available on all ThinkPad notebooks.

Embedded Security Subsystem and Client Security Software

This unique hardware-software combination helps protect your company information, including vital security information like passwords, encryption keys and electronic credentials, while guarding against unauthorised user access to data.

Available on selected ThinkPad R52, X32, X41, X41 Tablet, T43 and Z60 notebooks.

Active Protection System

Like an airbag's sensor, the Active Protection System detects sudden changes in motion and temporarily parks the hard drive's read/write head to protect valuable data from everyday notebook accidents.

Available on ThinkPad R52, X41, X41 Tablet, T43 and Z60 notebooks.

Information on IBM/Lenovo Alliance

In December 2004, IBM changed the dynamics of the PC marketplace by announcing the combination of its PC Division with Lenovo, the leading IT Company in China, and the creation of a long-term strategic alliance between IBM and Lenovo. The new Lenovo will be a customer-focused company with extraordinary resources and broad reach, providing customers with the innovative PCs and best-in-class customer service.

Alliance with IBM

IBM will provide sales support for Lenovo products through IBM's existing enterprise sales force of approximately 30,000 professionals, and through IBM.com. Lenovo products will also be sold through former IBM PC specialists who joined Lenovo. You can also continue to depend on the same resellers that you deal with today for outstanding sales and service of Lenovo product offerings. IBM Global Services, the number-one IT services organization in the world with powerful existing enterprise channels, will be the preferred providers to Lenovo for warranty and maintenance services. You will essentially be working with the same professionals who will offer world-class service and attention to detail. This combination is a powerful one that cannot be matched!

Lenovo is focused on our Customers in the PC Marketplace

The global marketplace demands a flexible, fast-moving, and innovative IT provider, and that is exactly what Lenovo delivers to our customers. Unlike other vendors, Lenovo will have a laser focus on the PC industry. This alliance enables us to extend the reach of the industry leading "THINK" brand and deliver an expanded portfolio of high quality, innovative offerings that clearly address our customer's needs, with the world-class service and support that our customers expect from IBM. At the same time, we will work to improve our procurement capabilities, to expand our product line much quicker, to provide better financing options, and to provide a more efficient product price point.

Product Innovation and Quality

What differentiates a Lenovo PC from the competition? Innovation & design that matters to our customers and products that are built for the way you work, product quality that makes our offerings reliable, and customer service and support that makes us a valued and trusted PC partner. For ThinkPad notebooks and ThinkCentre desktops, Lenovo will continue to use the same manufacturing processes and vendors that the IBM PC Division used, and include the same high-quality components that have placed THINK PC's as the standard to beat for PC quality. PC Division developers will join Lenovo, together with 600 existing Lenovo developers, creating a formidable team that will continue the innovation necessary to develop the products that help our customers succeed in business.

ORDERING PROCEDURES

Step 1a - On-Site Roadshow Ordering

Please bring along the following DOCUMENTS & PAYMENT for application:

1. HKUST Notebook / Desktop Ownership Program 2005 Order Form
2. **Original and Valid** student / staff ID Card or HKUST Alumni Association membership card / graduation certificate / alumni credit card, and together with HKID card / passport

 - a. Cash -Original Bank-in slip
 - b. EPS
 - c. Credit card -VISA / MasterCard credit card (credit card owner must be present for on-site ordering)
 - d. Instalment -Personal Bank of China / Hang Seng Bank credit card (Please ensure you have enough credit limit for monthly repayment)

OR

Step 1b - Phone Ordering

1. Contact PCCW University Notebook / Desktop Ownership Program Hotline: 2888 9998

2. Provides name of University, student / staff ID or HKUST Alumni Association membership card / graduation certificate / alumni credit card, and together with HKID card / passport with fax copy for validation and chosen model.
3. Our customer service representatives will advise the ordering procedure and the notebook fulfillment schedule.
4. Only credit card full payment and credit card instalment (Bank of China / Hang Seng Bank) will be accepted. Third-party credit card payment is not accepted.

Step 2 -

You will receive a Sales Memo from PCCW (for on-site ordering) or confirmation email / fax (for phone ordering) upon completion. You are **REQUIRED** to bring back the **original Sales Memo in person** for goods redemption. Check the details and make sure all the information is correct before you leave. **Any loss of the Sales Memo will NOT be entertained.**

PAYMENT METHODS

One-time Full Payment

1. BANK-IN CASH TRANSFER
Please deposit the CASH into BOC account of **PCCW-HKT Ltd** or HSBC account of **PCCW-HKT Network Services Ltd** **BEFORE** submission. Write down **your name and student / staff ID number** at the back of the original bank-in slip. You are advised to keep a duplicate copy for your own record.

PCCW-HKT Limited
BOC Bank Account Number: 012-875-0-020449-9
or
PCCW-HKT Network Services Limited
HSBC Bank Account Number: 004-500-769690-001
2. EPS - EPS option is accepted in this program.
3. CREDIT CARD - Only VISA / MasterCard are accepted in this program.

Instalment

4. 12-MONTH INSTALMENT
-12-month interest free instalment is applicable to all students and staff by either Bank of China or Hang Seng Bank credit card. Approval for the instalment application is subject to the final decision of the bank.
-You are required to complete a Direct Debit Authorization Form to Bank of China or Hang Seng Bank for monthly repayment. This form is available at the order counter.
-Instalment option is only applicable to notebook and desktop purchase.

STOCK FULFILLMENT ARRANGEMENT

1. Distribution is divided into 10 sessions each day from 10:00 to 20:00 (1 hour per session). A timetable will be provided for booking of goods redemption upon order submission. Reservation will be made on first-come-first-serve basis.
2. Please bring along the **original and valid** student / staff ID card or HKUST Alumni Association membership card / graduation certificate / alumni credit card, and together with HKID card / passport for stock collection.
3. Notebook - All notebooks are bundled FREE with a carrying case. Please bring along your original sales memo and pick it up at the specified collection venue.
4. Desktop & Z Series Notebook - Delivery will be shipped to the address stated in the order form between 09:00 a.m. to 09:00 p.m. (Mon-Sun except public holidays.) Delivery lead time for A51 will be around 2-3 weeks. For purchase of desktop with monitor, free installation will be provided. Free delivery will be provided within Hong Kong, not including Tung Chung, Ma Wan, Discovery Bay and outlying islands. HK\$100 per unit will be charged for delivery to Tung Chung and HK\$250 per unit will be charged for delivery to Ma Wan, Discovery Bay and outlying islands.

Important Notes to Customers

Upon Purchase

1. Each customer is LIMITED to purchase ONE unit of notebook, ONE unit of desktop PC, ONE unit of PDA, TWO units of each item in part D (ThinkPad accessories) and ONE unit of each item in part E (other accessories) and part F (software).

Should the customer be found purchasing more than one unit of notebooks, PCCW reserves the right to claim the difference between the market price and the special price offered by PCCW.
2. The 12-month interest free installment plan is only applicable to payments made with the credit card of either Bank of China or Hang Seng Bank, the designated banks of PCCW. Approval for installment payment is subject to the final decision of the bank.
3. You will receive a Sales Memo from PCCW upon payment confirmation. This Sales Memo serves as the main proof for the transaction and stock collection within the program period.
4. Please kindly check the details on the Sales Memo and make sure all the information is correct before you leave the cashier.
5. All advance sales items must be redeemed on or after the specified date stated on the Sales Memo within the stock distribution period. PCCW reserves the right to charge the delivery charge of HK\$80 in case the customer fails to collect the items within the stated period.

6. All redemption items must be collected within the assigned period stated on the redemption letters. Any loss or damage of the redemption letter will NOT be entertained.
7. Customers MUST keep the Sales Memo properly and PCCW will not be subject to any liability of responsibility for the loss or damage of the captioned document after the transaction. PCCW reserves the right to NOT distributing the goods to the customer in case of any loss of Sales Memo.

Upon Goods Collection

8. Customers are REQUIRED to bring the following original documents IN PERSON for goods redemption:
 - a. Original Student Card / Staff Card / HKUST Alumni Association membership card / graduation certificate / Alumni credit card
 - b. Original Sales Memo issued by PCCW
 - c. Payment Receipts (if applicable)
9. Please kindly check the details on the Collection Notes and make sure all the information is correct before you leave the cashier.
10. Customers have to check that all items are in good condition and full packaging before leaving the goods collection counter. PCCW is not responsible for the loss of any items and parts afterwards.
11. Customers are required to check the following when they pick-up the ThinkPad notebooks.
 - a. Full packing and accessories
 - b. Product in good condition, without scratches / cracks
12. Replacement of any notebook computer and accessories should be raised out within the specified period (as stated below) at the roadshow site if they are found malfunction. Replacement will only be accepted under the conditions of full packaging and with original invoices. Any scratch or missing parts will not be accepted.

Specified Period:

- a. Aug 9 - 16 collected items: Aug 9-13, Aug 15-17
- b. Sep 1 - 8 collected items: Sep 1-3, Sept 5-9
- c. Sep 26 - Oct 3 collected items: Sept 26- Oct 1, Oct 3-4

For any further queries on maintenance & warranty of ThinkPad notebooks hereafter, please contact ThinkPad Service Center.

For any further queries on maintenance & warranty of other accessories hereafter, please contact the respective suppliers / distributors. For details, please refer to the warranty card attached inside the products.

13. TFT display quality standard of ThinkPad notebook and other LCD monitor:
 - a. ThinkPad notebooks: Should THREE or more defective pixels be found on the LCD, the customer is liable for a replacement.
 - b. Topcon LCD monitors: Should FIVE or more defective pixels be found on the LCD, the customer is liable to a replacement.
 - c. ComeMon LCD monitors: Should FOUR or more defective pixels be found on the LCD, the customer is liable for a replacement.
14. For any purchase of ThinkPad notebooks, PCCW will chop an identification stamp on the notebook packing box, showing the product as a product under the HKUST Notebook / Desktop Ownership Program 2005.
15. For any purchase of iPAQ Pocket PC rz1717, rz1710, rx3417 or hx2110, PCCW will collect the Bar Code label on the packing box for the vendor.
16. Should the customer purchase notebook RAM module together with the notebook, PCCW will offer free installation services. For other accessories / software, there will be NO installation services offered.
17. Should the customer purchase ThinkPad notebook RAM module (not include third-party RAM module) together with the notebook, the ThinkPad RAM module warranty service duration will be aligned with the ThinkPad notebook.

General Reminders

18. Customers shall NOT change the ownership of product within the first 6 months without PCCW's prior written consent. Any warranty to the notebook shall become null and void; and PCCW reserves the right to claim the customer the difference between the market and the program price offered by PCCW.
19. In case of disputes, PCCW reserves the right to make the final decision.
